# SURPLUS LIST No. 1.

DECEMBER 10, 1907.

## FOR NURSERYMEN AND DEALERS ONLY

Below we hand you a list of our ornamentals. We also have a good stock of Apples, Pears, Cherries, Plums, Peaches, Apricots and Almonds and other nut trees, both one and two year old. If interested send list of wants.

Prices as shown in our wholesale price list sent you some time ago. Where larger sizes are shown than quoted on the price list or varieties not mentioned therein send us your list of wants. We wish to clear off one Ornamental block this season and in many instances will sell the larger trees at same rate as the next smaller grade quoted, viz. in certain varieties the 8 to 10 ft. will be sold at same price as the 6 to 8 ft. quoted in the price list.

Actual cost of boxing added. We bale only when requested.

Terms and conditions of sale same as shown in price list. All orders booked subject to being unsold when order is received.

For car load in bulk write for special prices.
